Our History

Built in 1766, The Millhouse and the Old Mill, weir and millrace were once considered the largest and finest complex of its kind in Ireland. Originally a Corn Mill powered by two large water wheels, the harvest was hoisted into the upper floor granaries before being dried, sifted and ground.

Over time, the Old Mill became a specialised manufacturer of textiles turning raw cotton into luxury bed linen.

Times have changed but this past remains part of our history, acknowledged, conserved and felt.

An Idyllic Setting

Our historic old Mill and Millhouse sits on the heart of mythical Ireland and lush Boyne River Valley.

This gorgeous estate lies low in the River Valley surrounded by nature. Your guests can enjoy the wonderful county side and riverside gardens.

It is here The Mill stands proudly echoing our ancient past amidst the whisper of nature.

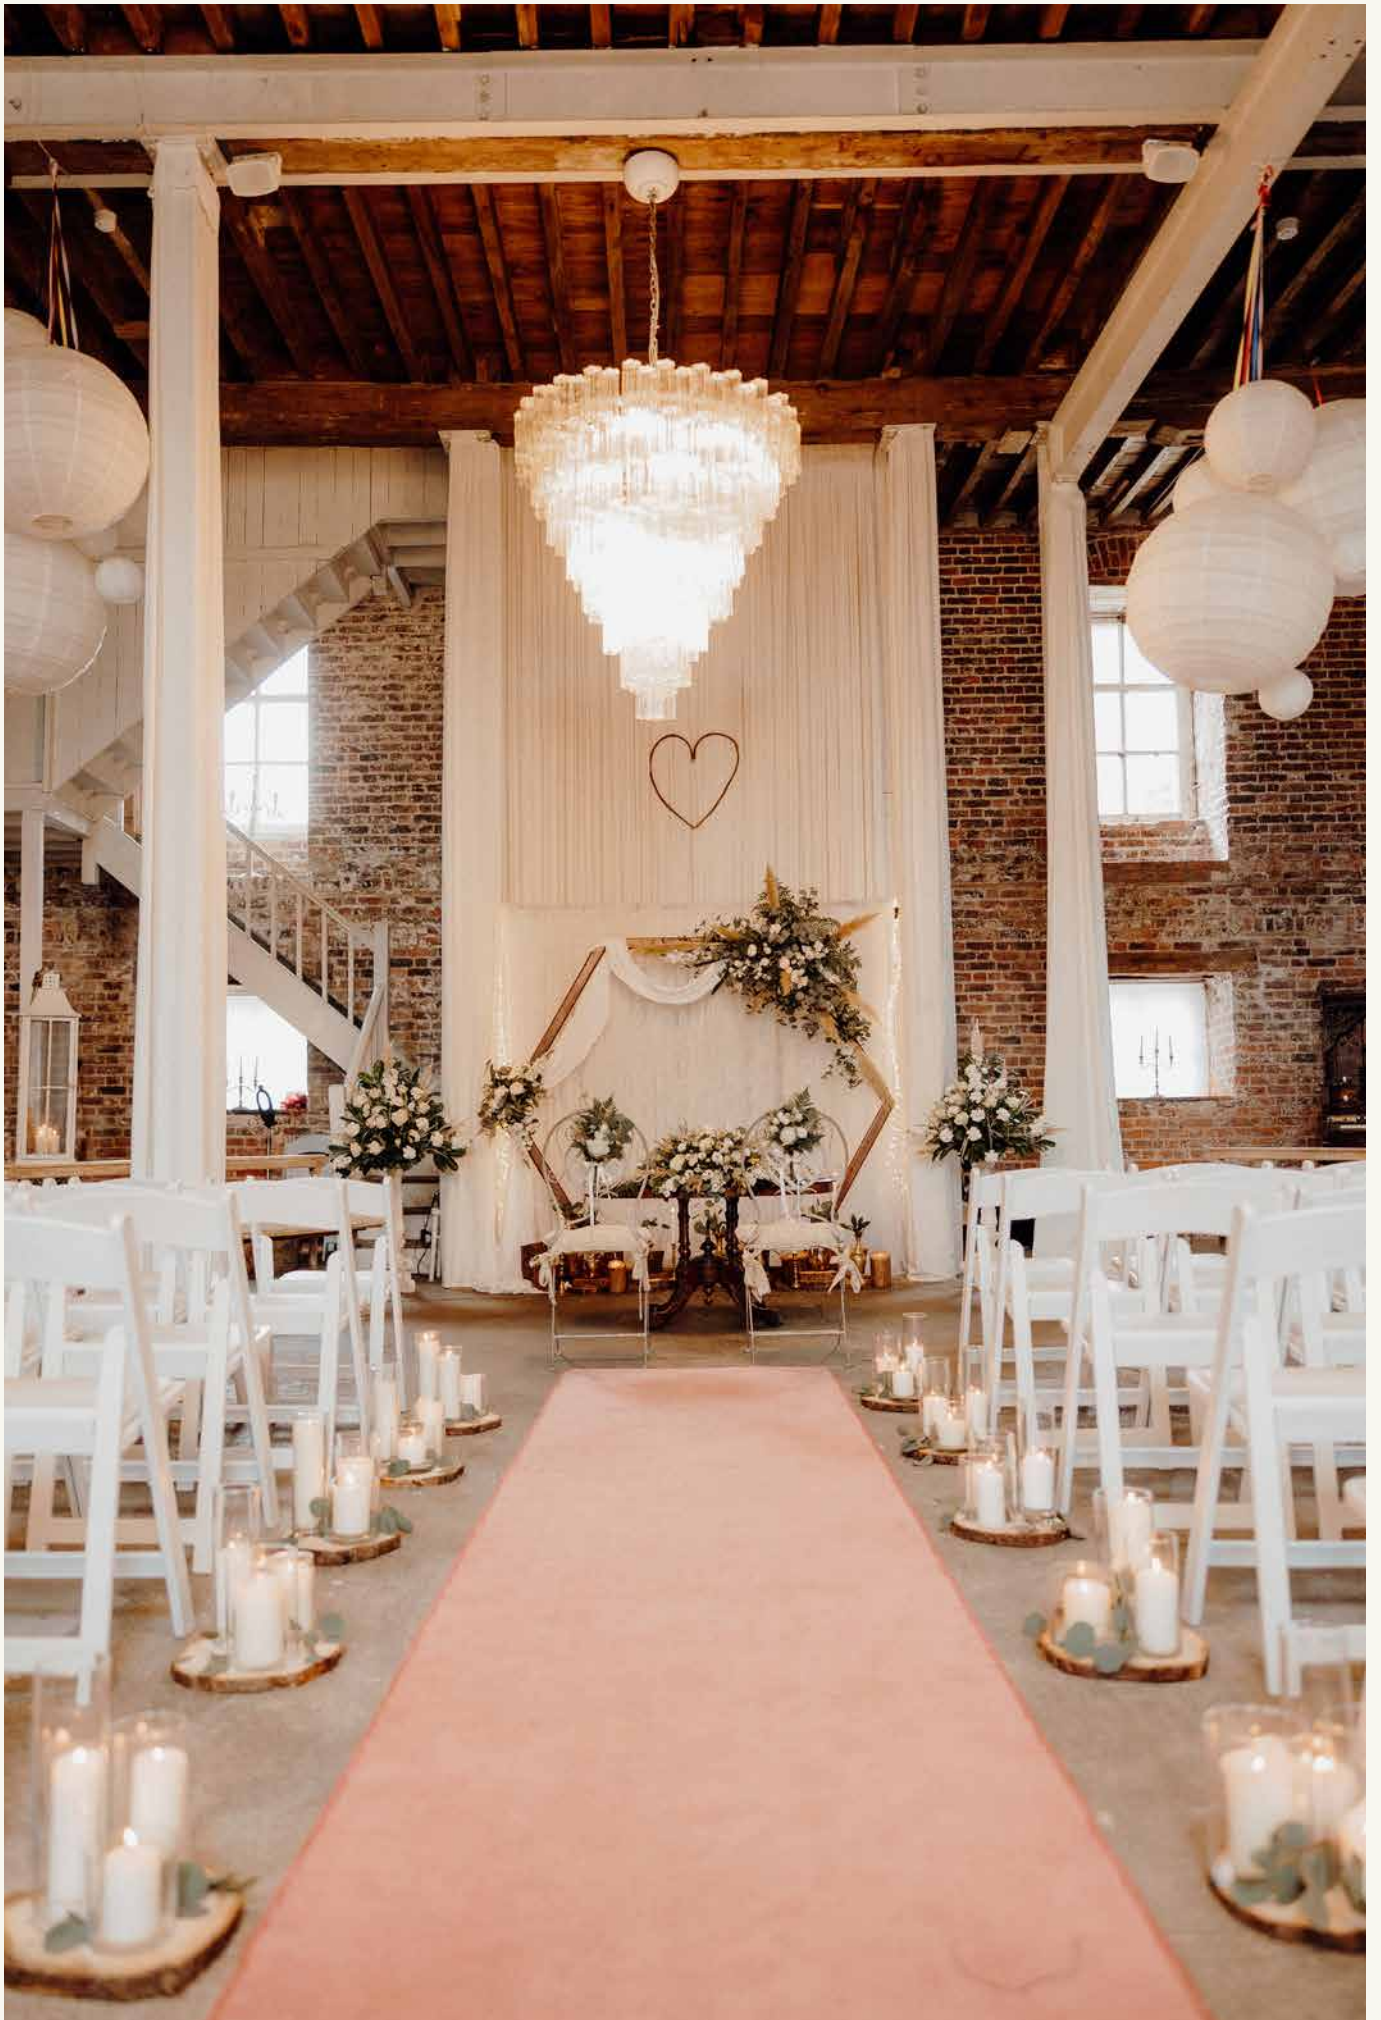

The Ceremony Room

Our dramatic Ceremony Room, located in the Old Mill, is an original Georgian industrial space. With double-height openbeamed ceiling, this authentic warehouse-style room features imposing vintage crystal chandeliers and is large enough to seat 200 guests.

With its simple white interior it is a blank canvas for you to add your own personal style and character. The exposed brick walls add a timeless touch, infusing our interior with history and character.

The Ceremony Room is opposite our Manor House and adjoins the lantern-lit Orchard, offering connected but entirely unique celebration spaces.

Outdoor Ceremonies

We love to host outdoor Ceremonies in our beautiful Orchard when the sun is shining and the river is sparkling and also on those wonderful moody Irish days full of mist, rain and magic. We can cater for up to 200 people in our orchard.

Drinks Reception

From our beautiful south facing sunlit courtyard and Orangery to our riverside Orchard gardens and drawing rooms, your guests are free to wander and take in our beautiful bucolic riverside setting.

Drawing Rooms & Snug

The Millhouse interiors are glamorous with a quirky twist. Guests are welcome to enjoy our stylish drawing room bars on the ground floor, luxurious and comfortable spaces in which to welcome friends and family with drinks and canapes.

On rainy afternoons enjoy our cosy open fires in our luxurious drawing rooms and snug. With mulled wine, hot whiskeys, canapes and the warm glow of blissful love from your nearest and dearest, it will be a day to remember forever.

The Pavilion Dining Room

This stunning south facing garden room with beautiful views of the orchard and river seats up to 200 guests. We can cater for smaller wedding parties of up to 35 people in our oranery.

Accommodation

The Millhouse combines old world charm and contemporary design to create a unique, luxury wedding venue. With 15 beautiful en suite bedrooms, the manor house can accommodate 50 people with an additional 61 people in our glamping accommodation located on the grounds, totaling 111 people.

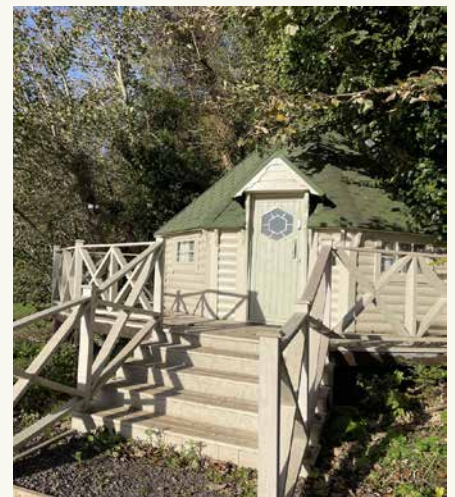

We also have a local accommodation list should you require more accommodation for your guests.

Glamping
